In a particularly sought after area, coming to market is this quite deceptively spacious detached dormer bungalow with five bedrooms, two of which are en-suite. Offering versatile accommodation across two levels makes this property an ideal family home and as such, an early viewing is recommended. Set back from the road with a good sized driveway, this home typically combines convenient ground floor living with additional bedrooms and a family bathroom in the roof space. A unique part of the home is an interconnecting feature that allows the master bedroom to function either as part of the main house or as a semi-independent area given its en-suite links to a utility room that in turn links to the kitchen/diner and from there to the lounge. Double glazed throughout, complemented by LPG heating, on entry there is a useful vestibule from where access is gained to the integrated garage. Thereafter, a reverse L-shaped hallway links to all of the living areas. The master bedroom with en-suite can be found to the right whilst there is another bedroom opposite. The hallway leads to the lounge/living room which can operate open plan with the kitchen/diner or be divided by the casement glazed internal French doors. The lounge opens into a large triple aspect conservatory which overlooks the westerly facing rear garden. Returning to the hallway, there is access to the second bedroom with both an en-suite and a large built in wardrobe. A switchback staircase leads to the two first floor double bedrooms, built into the roof space, which are split by a family bathroom. Externally, a significant front driveway offers a sense of privacy and seclusion with access to the rear available to each side of the property. The rear garden is primarily laid to lawn with both planting and decorative borders along with a large garden shed having both lighting and power. It is also fully enclosed making it a safe haven for both children and pets alike. Camborne town centre can be reached in under twenty minutes on foot where there are considerable amenities including a mainline railway station that serves London as well as many other destinations both in and out of the county. Further afield, Portreath Beach, with its access to the South West Coastal Path, is within a ten minute drive as are Tehidy Country Park and Tehidy Park Golf Club. Furthermore, there are many other local beaches and attractions within easy reach.
