Situation

Poulshot is the quintessential English village that has an excellent community spirit, and enjoys a large central Green where you often see cricket and football matches going on in the summer months. There is a thriving and very friendly public house 'The Raven' just a stone's throw from Aubrey's Yard, an active village hall (where several village clubs and groups meet), the ancient church St Peter's, and a popular farm shop 'Poulshot Lodge Farm' which has been owned and farmed by The Hues Family since 1963. There is also a pre-school/ nursery in Townsend just a mile away from the development. A network of public footpaths is on the doorstep providing excellent walking in the area, and the 'Green Gardens' is a tranquil wooded area and clearing just set off The Green that is open to the village and an ideal space for family picnics. School buses run from the edge of The Green. The well renowned public school Dauntsey's School in West Lavington is only a few miles drive away. The historic market town of Devizes is located close by and has many amenities including a choice of supermarkets, independent shops, a modern leisure centre, schooling for all age groups, and a thriving weekly market. Those with an interest in country and leisure pursuits are well catered for in the area; the Kennet & Avon canal is nearby; part of a waterway joining London to Bristol and famed for its flight of twenty-nine locks- a paradise for canoeists, barges and anglers. The major centres of Bath, Salisbury, Swindon, Marlborough and Chippenham are all within a 30 mile radius and there are good road links to London and The West Country via the M4/A303. Main line rail services are available from Chippenham, Pewsey and Westbury.
