GENERAL COMMENTS

Spring Cottage is a fabulous, unspoilt property, in a rural setting enjoying complete privacy. It has been in the same family ownership since 1971 and has been a cherished home and very well cared for. It is now in need of modernisation but offers tremendous potential. The setting of Spring Cottage is very special indeed, tucked away in an incredibly peaceful location, along a quiet unmade lane on the outskirts of Goonhavern, yet is within easy access of Truro, the A30 for quick commuting and the north Cornish coast is within a few minutes drive. There is no road noise whatsoever and the rural setting is a natural haven for wildlife.

The cottage is very attractive with natural stone elevations and is surrounded by fabulous mature gardens that extend to just over half an acre that enjoy a sunny aspect, peace and quiet. The accommodation comprises: Entrance porch, sitting room, dining room, kitchen, bathroom and three bedrooms. The cottage is full of charm and character and includes many wonderful period features including exposed beams, traditional sliding sash windows and feature fireplaces. The whole property enjoys a sunny, south facing aspect and the gardens are well stocked with many mature shrubs, plants and trees. The gardens are enclosed within dense hedges providing privacy and protection. There is driveway parking for for at least four cars and plenty of space to erect a garage (subject to consent). Spring Cottage presents a very rare opportunity to purchase a delightful property that has not been marketed since 1971. An internal viewing is essential.
