### Pet-Friendly Renting with Rent My Home

At Rent My Home, we know that pets are part of the family — and we love helping you find a place where everyone feels at home.

Many of our landlords are happy to welcome well-behaved pets. However, not every property is suitable — for example, some flats or buildings have restrictions in their deeds that don't allow pets.

When applying for a pet-friendly home, we'll ask you to complete a simple Pet CV so that landlords can get to know your furry (or feathered!) friend. In some cases, a slightly higher rent may be agreed to cover additional wear and tear.
