Silverman Black is delighted to offer this generously proportioned one bedroom, ground floor garden maisonette, located in a quiet cul-de-sac within easy reach of Hackbridge and the local BR station. Internally, the property comprises a good size entrance hall, with two deep storage cupboards, a large living/dining room, a separate fitted kitchen, one sizable double bedroom and refitted shower room - whilst externally, the apartment has a small front garden, close to a 30 ft mature rear garden and an extra brick built storage shed to the front - ideal for storing prams and bikes! In addition, there is access from the rear garden to a pleasant riverside seating area - where you can watch the River Wandle meander past. Other benefits include residents parking (on a first come basis), gas/radiator central heating, double glazed windows and doors, a renewed lease with around 173 unexpired on the current term, a peppercorn ground rent and low service charges at around £800 pa (£67 pcm). Overall - a fantastic first home in an idyllic location. In terms of facilities, there is a local supermarket located on the corner of Culvers Avenue and Otter Drive - less than 5 minutes walk away - whilst there is a footpath almost opposite, leading directly to Riverbank Way and the Hackbridge Road - meaning that you are less than 20 minutes walk from all of the facilities of the village centre, the recently opened Lidl superstore and Hackbridge BR station, which affords easy, fast access to Clapham Junction and London Victoria in approximately 30 minutes.
