A Beautifully Appointed Four-Bedroom Detached Home

Country Holmes is delighted to present *Cherry Blossom*, a beautifully presented stone-built four-bedroom detached home, occupying a generous corner plot and constructed in 2018. Ideally located close to local shops and amenities, this exceptional property offers the perfect blend of style, space, and functionality, making it an ideal choice for both growing and established families.

Finished to an outstanding standard throughout, the property boasts a wealth of living space. Upon entering, you are welcomed by a spacious entrance hallway that leads to a study, a convenient downstairs W.C., and a light-filled open-plan lounge and dining room. Dual-aspect windows to the front and side allow natural light to flood the living space, while patio doors from the dining area open directly onto the rear garden—perfect for family life and entertaining.

The high-spec modern kitchen features sleek high-gloss units with complementary work surfaces and a built-in breakfast bar offering additional seating and clever storage solutions. Integrated appliances include a washing machine, fridge freezer, and dishwasher, along with a double electric oven and gas hob. A useful under-stairs storage cupboard and staircase lead to the first-floor landing, giving access to all bedrooms.

The spacious master bedroom, overlooking the front garden, benefits from a contemporary en suite shower room with walk-in shower, low-level WC, and a stylish vanity wash basin with built-in storage. Two further bedrooms are generously sized doubles, while the fourth bedroom offers a pleasant view over the rear garden. The family bathroom is beautifully finished with a modern three-piece suite, including a panelled bath with overhead shower, low-level WC, and matching vanity wash basin.

Externally, the property enjoys well-maintained gardens to the front, side, and rear, featuring manicured lawns, attractive planted borders, and a paved patio seating area ideal for relaxing outdoors. A private driveway and detached garage provide ample off-road parking.
