## DESCRIPTION

We are pleased to present this charming 1930s home sitting on a substantial corner plot on the corner of Dunford Road, Windmill Hill, just a 0.4 mile walk to the popular Victoria Park. Internally to the ground floor the property offers a large entrance hall, which opens to the dual aspect living/ dining space. The kitchen sits to the side overlooking the side garden and garden room.

Moving upstairs, there are three bedrooms, two of which will fit double beds, the master overlooks the rear garden and offers built in wardrobes. The bathroom offers a three piece suite whilst the landing affords loft access (which could be converted to a further bedroom, subject to the necessary permissions).

Perhaps the stand out feature of this home is the space. To the rear there is an area laid with patio and substantial garage, which is just over 7 meters in length. The side garden affords access to the front, with the border being stocked with well established bushes.

The property is sure to prove perfect for anyone looking for a charming home boasting a substantial plot, there could also be development potential thanks to the large garage, however our sellers have not looked in to this. Please call Hunters Bedminster for further information and to arrange an internal viewing appointment.
