The property offers immaculately presented and stylish interiors throughout, thoughtfully designed for modern family living. A particular highlight is the impressive open-plan living kitchen to the rear, providing a superb space for both everyday living and entertaining, complemented by two further well-proportioned reception rooms.

The property has been further enhanced with a number of high-quality upgrades, including bespoke covings and decorative wall panelling, adding character and warmth. In addition, fitted cabinetry has been introduced throughout, providing practical storage. Externally, the gardens have been completely landscaped, creating an attractive and well-designed outdoor space that is equally suited to relaxing and entertaining.

Accommodation:

The internal accommodation is centred around an incredible double-height entrance vestibule, with an oak staircase rising to the first floor. To the right is a very spacious sitting room, boasting a stone fireplace with inset wood-burning stove, and a full-height oak-framed bay window. To the left is a further reception room, fully fitted with bespoke cabinetry, ideally functioning as a playroom or office.

To the rear of the property, and forming the heart of the home, is a beautifully designed, zoned living dining kitchen. This impressive open-plan space is flooded with natural light, with two sets of bi-fold doors opening directly onto the outdoor seating terrace, creating a seamless connection between the interior and garden and making the space ideal for both everyday family living and entertaining.

The kitchen itself is thoughtfully arranged around a central island which provides additional storage as well as informal seating, perfect for casual dining or socialising while cooking. It is fitted with a comprehensive range of sleek cabinetry, complemented by stylish quartz work surfaces and a suite of integrated Siemens appliances, combining both practicality and contemporary design.

Located just off the kitchen is a highly practical utility room, offering further storage and space for additional appliances, while also providing convenient external access to the side of the property. Completing the ground floor is the guest cloakroom.

Upstairs, the bedrooms are accessed from a galleried landing, creating an impressive sense of space and light. The luxurious main bedroom features a striking oak-framed full-height window and benefits from fitted wardrobes, along with a contemporary four-piece en-suite bathroom.

There are three further bedrooms, two of which enjoy their own en-suite facilities. The current owners have thoughtfully converted the fourth en-suite bathroom to suit their needs, transforming it into a practical and stylish dressing room.

Gardens and land:

Nestled on the edge of Market Bosworth with exceptional views and the exclusive use of a private 3-acre historic woodland set on the outskirts of the development. To the front of the property, there are beautifully manicured gardens, and a large block-paved driveway provides ample parking and access to a detached double garage. The rear gardens have been thoughtfully landscaped and now benefit from a wonderful entertaining patio, accessed directly off the living kitchen, with the rest being predominantly laid to lawn and edged by herbaceous beds and borders. There is a useful storage area to the rear of the garage range.
