General information/location

Rosedale Abbey is nestled deep in the heart of the North York Moors National Park, truly one of the most picturesque areas of Ryedale surrounded by rolling hills and stunning scenery. Situated some 11 miles north of the A170 Thirsk to Scarborough road Rosedale Abbey has a small primary school, glass studio, village stores and a couple of pubs. The nearby market towns of Pickering and Kirkbymoorside offer a good choice of shops, schools and other local amenities.

Heading approximately 1.5 miles out of the Rosedale Abbey village, Plane Trees is the first row of former miners cottages, thought to date back to the 19th century. Built of traditional stone under a slate roof this pretty cottage (no.4) has been considerably improved over recent years.
