****NO CHAIN**** Are you looking for a home with character and charm? Look no further, this period cottage offers just that and more! The accommodation is deceptive with 2 spacious reception rooms and a breakfast kitchen with a utility area and WC. Whilst upstairs you will find 2 bedrooms and a large bathroom. Outside there is a rear yard. Viewing advised

A charming period cottage set within the heart of Eastham Village with a gated entrance with steps leading up to the enclosed porch with a striking Red timber front door. The front offers a mature screen with patio area and space for bin storage. Upon entering you will appreciate the proportions of this style of Cottage, a wider than average hallway with stairs leading to the first floor and access to principle rooms which include a well proportioned lounge positioned at the front with deep square bay window, gas log burner and Oak beam above.

Whilst to the rear you have a generous dining room with period fire surround, aspect over the yard and understairs store. You also have access into the breakfast kitchen and you will find the electric meter cupboard.

The kitchen presents huge potential, offering a range of units on either side but would benefit from being re-modelled. You also have a large window allowing natural light to pour in on the right and connecting door into the utility area which gives access to the downstairs WC and door to the garden.

Making your way upstairs the spacious landing provides access to 2 double bedrooms and large bathroom.

Finally to the rear you will find a yard with patio area.
