Property

Brantons Independent Estate Agents are delighted to offer to the market an opportunity to purchase this beautifully presented family home situated on a small secluded development within the desirable residential area of Ashurst. The property was constructed in 2013 by reputable South coast developer Crayfern Homes and is situated nicely down a private resident's driveway. The ground floor layout consists of a spacious lounge, a dining room with large storage cupboard, impressively sized kitchen with fitted appliances and utility room with W.C. The first floor accommodation consists of three double bedrooms, all of which feature built-in wardrobes and the master benefits from the use of a luxury en-suite shower room. From the landing there is also a family sized bathroom and large airing cupboard. To the front of the property there is driveway parking for at least two cars. At the rear is a private low maintenance garden which is mainly laid to lawn with a patio seating area and access into an integral storage room. In our opinion this property is presented in immaculate condition throughout and this would allow any potential purchaser the ability to move straight in. Due to the location and surprisingly spacious accommodation on offer, early viewing comes highly recommended. AGENTS NOTES: The property is subject to a service charge of £367.00 per annum.

Energy Performance

8/13/2021 Energy performance certificate (EPC) - Find an energy certificate - GOV.UK

Energy performance certificate (EPC)

Ashurst SOUTHAMPTON SO40 7	Energy rating B	Valid until: 1 September 2023 Certificate number
----------------------------------	---------------------------	---

Property type: Mid-terrace house

Total floor area: 110 square metres

Rules on letting this property

Properties can be rented if they have an energy rating from A to E.

If the property is rated F or G, it cannot be let, unless an exemption has been registered. You can read [guidance for landlords on the regulations and exemptions \(https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance\)](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy efficiency rating for this property

This property's current energy rating is B. It has the potential to be B.

[See how to improve this property's energy performance.](#)

The graph shows this property's current and potential energy efficiency.

Properties are given a rating from A (most efficient) to G (least efficient).

Properties are also given a score. The higher the number the lower your fuel bills are likely to be.

For properties in England and Wales:
the average energy rating is D
the average energy score is 60

Score	Energy rating	Current	Potential
92+	A		
81-91	B	84 B	84 B
69-80	C		
55-68	D		
39-54	E		
21-38	F		
1-20	G
