Burley Cottage A Rare Elizabethan Gem on Anker Lane

Burley Cottage is a truly exceptional Grade II listed, four-bedroom Elizabethan timber-framed home, built circa 1600, offering a rare blend of historic charm and timeless character. Steeped in heritage, the property showcases an array of stunning period features, including beautifully exposed beams, impressive feature fireplaces, and a remarkable beehive fireplace a striking reminder of its rich architectural past.

Set within an enviable 1/3 acre plot, the cottage enjoys a generous and mature setting, approached via a sweeping private driveway leading to two garages, providing space, privacy, and flexibility rarely available in such historic homes.

Located on Anker Lane, one of the area's most sought-after no-through roads, the property sits among a collection of individual homes, offering a semi-rural feel, while remaining conveniently close to Stubbington Village. Here you'll find an excellent range of shops, cafés, essential services, and healthcare facilities including Doctor and Dentist surgeries, all just a short distance away.

Disclosure

A Management asbestos survey was conducted on Burley Cottage dated 18th February 2025, the full report is available for inspection on request, we have read the report and whilst we are not specialists in this field it would appear that the recommendations from the surveyor are to inspect annually, however if you intend to carry out structural works it would be prudent to contact the surveyor for further advice.
