**+38.37%**

# Maps

## Conservation Areas

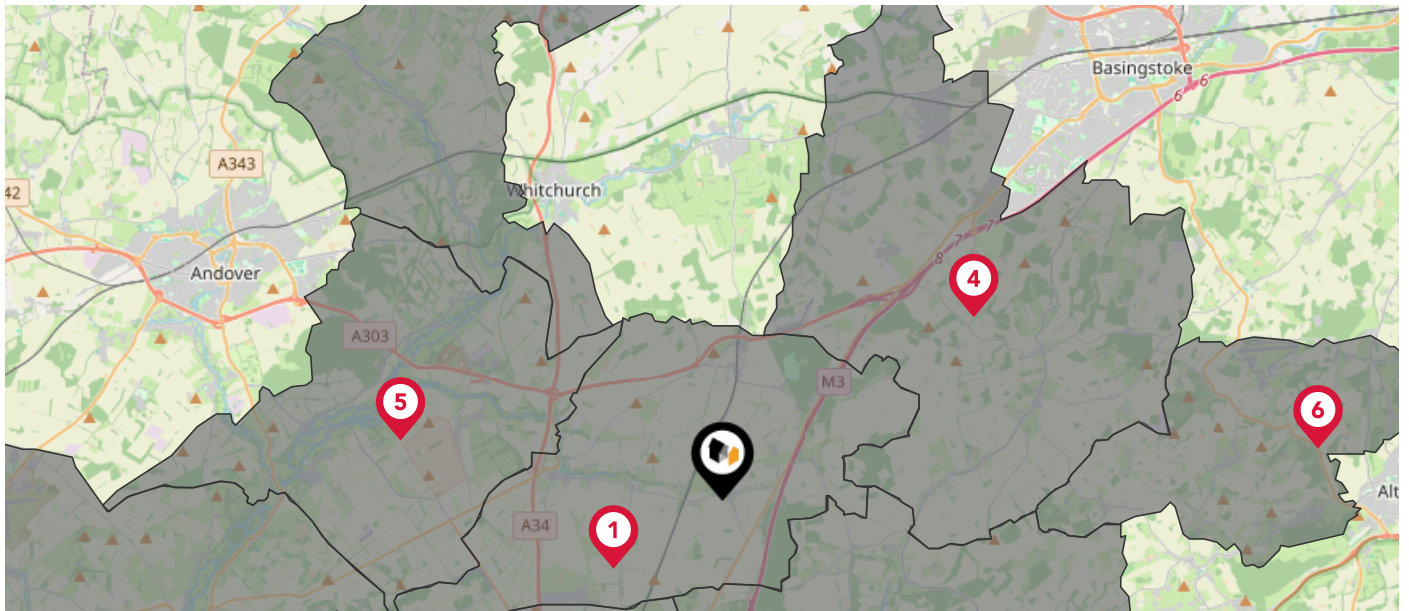

This map displays nearby official conservation areas. Every local authority in England has at least one conservation area. Most are designated by the Council as the local planning authority, though Historic England and the Secretary of State also have the power to create them.

### Nearby Conservation Areas

- 1 Micheldever
- 2 Stoke Charity
- 3 East Stratton
- 4 Hunton
- 5 Wonston
- 6 Sutton Scotney
- 7 Brown and Chilton Candover
- 8 Barton Stacey
- 9 Preston Candover
- 10 Crawley

The UK is divided into wards that are used for local elections to elect local government councillors. Sometimes these are known as 'electoral divisions'. Population counts can vary substantially between wards, but the national average is about 5,500

### Nearby Council Wards

-  Wonston & Micheldever Ward
-  The Worthys Ward
-  Alresford & Itchen Valley Ward
-  Oakley & The Candovers Ward
-  Harewood Ward
-  Bentworth & Froyle Ward
-  Evingar Ward
-  Mid Test Ward

This map displays the noise levels from nearby network rail and HS1 railway routes that affect this property...

## Rail Noise Data

This data indicates the level of noise according to the strategic noise mapping of rail sources within areas with a population of at least 100,000 people (agglomerations) and along Network Rail and HS1 traffic routes.

The data indicates the annual average noise levels for the 16-hour period between 0700 - 2300.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

5		75.0+ dB	<span style="color: red;">■</span>
4		70.0-74.9 dB	<span style="color: orange;">■</span>
3		65.0-69.9 dB	<span style="color: yellow;">■</span>
2		60.0-64.9 dB	<span style="color: green;">■</span>
1		55.0-59.9 dB	<span style="color: blue;">■</span>

# Flood Risk

## Rivers & Seas - Flood Risk

This map shows the chance of flooding from rivers and / or the sea, taking into account flood defences and their condition.

Risk Rating: Very low

The map does not contain sufficient information for it to be used to determine flood risk to individual properties, but it does give you an indication of whether your area may be affected by surface water flooding at this risk level.

- High Risk** - an area which has a chance of flooding of greater than 1 in 30 (3.3%) in any one year.
- Medium Risk** - an area which has a chance of flooding of greater than 1 in 100 (1.0%) in any one year.
- Low Risk** - an area which has a chance of flooding of greater than 1 in 1000 (0.1%) in any one year.
- Very Low Risk** - an area in which the risk is below 1 in 1000 (0.1%) in any one year.

Chance of flooding to the following depths at this property:

# Flood Risk

## Rivers & Seas - Climate Change

This map shows the future chance of flooding from rivers and / or the sea **between 2036 and 2069**, taking into account flood defences and their condition. The government climate change models cannot predict exactly when the chance of flooding will go up. It could happen at any time during the time period.

**Risk Rating: Very low**

The map does not contain sufficient information for it to be used to determine flood risk to individual properties, but it does give you an indication of whether your area may be affected by surface water flooding at this risk level.

- High Risk** - an area which has a chance of flooding of greater than 1 in 30 (3.3%) in any one year.
- Medium Risk** - an area which has a chance of flooding of greater than 1 in 100 (1.0%) in any one year.
- Low Risk** - an area which has a chance of flooding of greater than 1 in 1000 (0.1%) in any one year.
- Very Low Risk** - an area in which the risk is below 1 in 1000 (0.1%) in any one year.

Chance of flooding to the following depths at this property:

# Flood Risk

## Surface Water - Flood Risk

This map shows the chance of flooding where rainwater has nowhere to drain. This kind of flooding can occur far from rivers or seas.

**Risk Rating:** Very low

The map does not contain sufficient information for it to be used to determine flood risk to individual properties, but it does give you an indication of whether your area may be affected by surface water flooding at this risk level.

- High Risk** - an area which has a chance of flooding of greater than 1 in 30 (3.3%) in any one year.

# Local Area Masts & Pylons

**Key:**

-  Power Pylons
-  Communication Masts

### What is Radon?

Radon is a natural radioactive gas, which enters buildings from the ground. Exposure to high concentrations increases the risk of lung cancer. The UK Health Security Agency (UKHSA) recommends that radon levels should be reduced in homes where the annual average is at or above 200 becquerels per cubic metre (200 Bq/m<sup>3</sup>).

# Local Area Road Noise

The data indicates the level of noise according to strategic noise sources across all traffic routes. This indicates a 25 house annual average noise level with separate weightings for the evening and the night periods.

- 75.0+ dB
- 70.0-74.9 dB
- 65.0-69.9 dB
- 60.0-64.9 dB
- 55.0-59.9 dB

### Sam Kerr-Smiley

---

Sam and Nony are independent estate agents specialising in selling houses in and around Winchester. They take total and personal responsibility for each home – from valuing it initially, attending the photography sessions to ensure that it looks as good as it possibly can for the marketing material. They undertake all the viewings themselves and get to know each home really well, negotiating the offers, and then personally manage each sale through to exchange and completion.

It is their strong belief that they offer an approach that manages to be both powerful and unique, whilst never forgetting that their clients are the single most important aspect both of their personal business, and that of Martin and Co with whom they work and sit under the legal compliance and infrastructure of.

## Testimonial 1

After going through the process of selling and buying simultaneously, I realised how exceptional this duo is! Always direct, no airs and graces, pure professionalism. Always one point of contact "Nony" Whatever time of day. She never sugar coats and a massive support through a nail-biting process. I would highly recommend Nony to anyone looking to sell their property! Thank you!

## Testimonial 2

Nony and Sam aren't your typical estate agents. From the outset, they were by far the most interested in helping us, and they really cared. There was SO much back and forth with surveyors etc due to the age of the property, and they guided us through that process, and cajoled the many different agents and solicitors in the chain to get us over the line. Thanks so much Nony and Sam! You guys are first class.

## Testimonial 3

Nony engages deeply with all parties involved to make the difficult and fraught process of buying and selling a property much easier. Her knowledge of the Winchester property market, and her warm but realistic approach to getting a sale done, sets her apart from many of her peers. Nony loves what she does, looks after everyone involved and keeps all parties focused on completing the deal.
