Occupying a generous plot extending to just over a 1/4 of an acre this detached bungalow is an exceptional three-bedroom detached residence that has been comprehensively renovated and modernised throughout to create a beautifully presented and highly efficient family home. Enjoying delightful views across the surrounding South Shropshire countryside and woodland, this immaculate property combines contemporary comfort with a wonderful semi-rural setting.

The current owners have undertaken an extensive programme of improvements, including a full rewire, installation of an air source heat pump heating system, solar panels, replacement kitchen and bathroom fittings, complete redecoration, and new floor coverings throughout. The result is a turnkey property offering stylish accommodation and excellent energy efficiency.

The accommodation is approached via a welcoming reception hallway which leads into a spacious dual-aspect living and dining room. Flooded with natural light, this superb reception space enjoys attractive views over the gardens and surrounding countryside, whilst a feature wood-burning stove provides a cosy focal point.

The newly fitted kitchen/dining room offers a contemporary range of units with ample workspace and space for family dining, complemented by a practical utility room to the rear.

There are three well-proportioned double bedrooms, with the third bedroom currently utilised as a home office, ideal for modern working requirements. The accommodation is completed by a beautifully appointed bathroom featuring a modern suite with shower fitted over the bath.

Externally, the property is equally impressive. A tarmac driveway provides ample off-road parking and leads to the attached garage, which benefits from light and power. To the rear of the garage is an additional store area currently used for garden storage, offering exciting potential for conversion into an en-suite facility, subject to any necessary consents.

The gardens are a particular feature of the property. To the front, a substantial lawned garden is bordered by a variety of mature shrubs, plants and well-stocked flower beds, creating an attractive approach. Gated side access leads to the generous rear garden, which is predominantly laid to lawn and enjoys a paved patio area directly adjoining the house, ideal for outdoor entertaining and al fresco dining. Beyond lies a separately enclosed vegetable garden and greenhouse, perfect for keen gardeners and those seeking a more sustainable lifestyle.
