An excellent opportunity to purchase an immaculately presented detached contemporary home completed in 2022 by national house builder Bloor Homes and offering a versatile level of accommodation which lies in the region of 1,130 sq.ft.

We understand this particular property was one of the original show homes and therefore has seen various upgrades as well as attractive contemporary decoration with engineered oak internal doors, attractive floor coverings, double glazing and gas central heating.

The accommodation is likely to suit a wide audience being large enough to accommodate families, particularly with the local school situated within walking distance, but the property will appeal to a wider sector whether it be single or professional couples or potentially even those downsizing from larger dwellings looking for a modern contemporary home within a pleasant, well served, village.

The accommodation comprises an initial entrance hall with integrated utility cupboard, ground floor cloak room, sitting room and open plan dining kitchen with access out into the rear garden. To the first floor there are four bedrooms, the principal of which benefits from ensuite facilities, and separate main bathroom.

As well as the internal accommodation the property occupies an established plot tucked away off a small driveway with a pleasant aspect to the front, tandem length driveway and garage and an enclosed, well stocked, garden at the rear.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.

ADDITIONAL NOTES
