Graham Watkins & Co Online Auction

Graham Watkins & Co Online Auctions is a new, innovative and pioneering platform for buying and selling property.

It provides all the benefits synonymous with traditional auctions, including: speed and certainty of sale, transparency and zero risk of gazumping or double-selling, but with the added advantage of being able to bid pressure free from the comfort of your own home or office via desktop, tablet or mobile phone.

Bidding

STRESS-FREE BIDDING FROM THE COMFORT OF YOUR OWN HOME

When the auction opens, you will be able to place bids in line with the pre-determined bid increment levels, using the bid increase (+) and decrease (-) buttons provided. Having set your preferred bid amount and clicking the 'Place Bid' button, you will be asked to confirm your bid at which point it will be placed.

Every time you submit a bid you will be clearly shown whether your bid was successful, and a full list of all bids is displayed on-screen at all times.

Bidder Security

REGISTER YOUR CREDIT OR DEBIT CARD FOR THE BIDDER SECURITY

In order to bid online you will be required to register a credit or debit card for the bidder security deposit. We use Stripe who provide a secure, online card registration facility, and they will attempt to place a 'hold on funds' on your account for the bidder security amount (often known as a 'payment shadow' as no money is taken at this stage). The bidder security amount will be clearly displayed when registering your card.

On the fall of the electronic gavel, the winning bidder's card will be automatically debited for the bidder security amount, whilst all the unsuccessful bidder's cards will have their 'shadow payments' released (this can take several days depending on the card provider). For more information about this process please read the detailed explanation at the end of this document.

Due Diligence

RECOMMENDED DUE DILIGENCE BEFORE BIDDING

In general terms, you are strongly advised to view the property and take professional advice as to its condition and suitability. You should also ensure that you thoroughly read and understand the legal pack and any other associated documentation available online and take proper legal advice accordingly. Finally, understand the contract you are entering into and the financial commitment that you will be liable for should you be the successful purchaser.
