Occupying a delightful secluded position within the highly regarded village of Farndon, 1 School Lane is an individually designed and constructed six-bedroom dormer bungalow completed in 2022, offering an exceptional level of versatile accommodation extending to approximately 2,650 square feet. Thoughtfully designed with both family living and entertaining in mind, this substantial contemporary home combines impressive proportions with modern energy-efficient living, all set within beautifully maintained wraparound gardens.

The property is approached via a private driveway shared with just two neighbouring properties, creating an excellent degree of privacy and seclusion. A generous private driveway provides parking for up to six vehicles and leads to an extremely useful detached outbuilding incorporating a double garage and adjoining carport. Above the garage is a substantial hobbies room with power and lighting connected, offering excellent versatility and potential for use as a home office, studio or gymnasium. An electric vehicle charging point is also installed.

Internally, the accommodation is centred around a superb open-plan dining living kitchen, forming the true heart of the home and providing an impressive space for both everyday family life and entertaining. The property further benefits from a utility room and a spacious entrance hallway which immediately sets the tone for the generous proportions found throughout.

A particular feature of the property is the flexibility of the accommodation, ideally suited for modern family living or those requiring substantial ground floor bedroom space. Four of the six bedrooms are located on the ground floor, three of which benefit from en suite facilities. In addition, there is a separate shower room serving bedroom six, which could equally be utilised as a home office, study or additional reception room if required. This versatile arrangement makes the property especially appealing for multi-generational living or purchasers seeking accessible ground floor accommodation.

To the first floor are two particularly generous double

bedrooms arranged around a spacious landing area, creating an excellent degree of separation from the ground floor accommodation. One of the first-floor bedrooms benefits from its own en suite bathroom, whilst both rooms enjoy excellent proportions and flexibility of use.

The bedroom accommodation is complemented by two substantial reception rooms, including an impressive 27ft living room together with a superb 20ft garden room enjoying attractive views across the surrounding gardens and providing excellent additional living and entertaining space.

Externally, the gardens wrap around the property to the front, side and rear, being predominantly laid to lawn and complemented by attractive patio seating terraces ideal for outdoor entertaining and al fresco dining. Further gravelled hardstanding areas provide useful additional storage space suitable for a caravan, motorhome or boat.

The property has been designed with efficiency and modern comfort in mind, incorporating an air source heat pump heating system with underfloor heating throughout the ground floor and radiators serving the first floor, together with high-performance double glazed windows.

Farndon is widely regarded as one of the most desirable villages surrounding Newark-on-Trent, combining a thriving village community with excellent everyday amenities and superb transport connections. Situated approximately two miles south of Newark town centre, the village enjoys a picturesque setting alongside the River Trent and offers an appealing balance of countryside living and accessibility.

The village itself provides an excellent range of amenities including a well-regarded primary school, village shop, public houses, cafes and highly regarded riverside restaurants. Farndon is particularly popular for its attractive riverside setting, with scenic walks along the River Trent, Farndon Marina and open green spaces all contributing to the village's strong lifestyle appeal. The recently improved sports ground and cricket club pavilion further enhance the excellent recreational facilities available within the village.

For commuters, Farndon is exceptionally well placed. Newark Northgate railway station provides regular direct services to London King's Cross in approximately 75 minutes, whilst the nearby A46 and A1 offer convenient road access to Nottingham, Lincoln, Leicester and the wider East Midlands region.

Newark-on-Trent itself offers an extensive range of shopping, leisure and educational facilities, together with a historic market square, cafes, restaurants and independent retailers. The combination of excellent connectivity, strong community atmosphere and attractive riverside surroundings continues to make Farndon one of the most sought-after villages in the Newark area.

A substantial individually designed modern home offering highly flexible accommodation, impressive ancillary space and beautifully private gardens within one of Nottinghamshire's most desirable villages.

This individually built and designed dormer bungalow offers in the region of 2,650 sq ft of living accommodation arranged over two levels. Constructed to a very high standard with brick elevations under a tiled roof covering. Central heating is from an air source heat pump with underfloor central heating to the ground floor and radiators to the first floor. There are uPVC double glazed windows to the front elevation and high performance wood framed double glazed windows to the rear.

The living accommodation can be described in more detail as follows

GROUND FLOOR

Oak framed storm porch with tiled roof canopy leading to the entrance hall.

ENTRANCE HALL

33'7 x 3'10 (10.24m x 1.17m)

Storage room/ potential home office.

CAR PORT

21'4 x 8'9 (6.50m x 2.67m)

Power and light connected. Sync Energy electric vehicle charging point.

The property is approached by a private driveway with tarmacadam surface with shared access with two neighbouring properties. There is a tarmac driveway located to the side of the house providing off road car parking for up to six vehicles. This in turn leads to the garage and car port. Brick built wall and close boarded wooden fence along the front boundary. There is a gravelled hard standing suitable for storage of a boat,

motorhome or caravan.

Attractive lawned gardens extend to the front, side and rear of the property. Paved pathway to the front door and oak framed canopy storm porch. The lawned gardens continue to the side of the property with an established hawthorn hedge to the boundary. Large concrete base suitable for a shed if required. There is a large lawned area to the rear connecting to the rear boundary where there is a brick built wall. Spacious paved patio terrace connects to the rear of the house. Outside tap and electric powerpoints. These attractive wrap around gardens offer a peaceful and secluded environment.

PLAN
