DESCRIPTION

Wellsway House is a well-maintained semi-detached property with the benefit of off-road parking for circa 5 cars. Until recently the property traded as a guest house, however the current owners have chosen to retire and have been successful in de-registering the guest house to a residential home. The property benefits from double glazed windows, carpeted throughout, gas central heating with the bedrooms all being en-suite. This impressive property offers an abundance of space making it the perfect choice for larger and/or multigeneration families or for those looking for a Home & Income opportunity. The property retains main period features and must be viewed to fully appreciate.
