Tucked away at the end of a small cul-de-sac of just five properties, this extended five bedroom detached house offers family-friendly living space within walking distance of the primary school, shops, church and playgrounds. The village pub and the cafe are only a few minutes walk away, as are the youth club and a very popular takeaway. Older children catch a bus to nearby Steyning Grammar.

The welcoming dining hall opens onto a 24ft living room, which feels bright and airy and has a cosy woodburner, perfect for relaxing in front of at the end of the day. The modern kitchen has a breakfast bar and integrated appliances, plus a useful understairs cupboard. There's a utility room which gives access to the integral garage with electric roller shutter door, plus a downstairs loo. Upstairs, three of the bedrooms are doubles, one is a really good single and the fifth would make a perfect study, to work from home. There's a surprising amount of built in storage, including Hammonds fitted bedroom furniture. Bedroom one has an ensuite shower room and there's a lovely family bathroom which younger children would no doubt enjoy. One of the bedrooms has a walk in wardrobe, which we're told has plumbing in place, all ready to be turned into an ensuite. Solid oak doors throughout add a wonderful touch.

Outside, the south facing rear garden is very low maintenance, with an artificial lawn, a large patio seating area and some well stocked shrub borders. The current owners have built a garden room which they use as a gym but which would alternatively make a great teen den or further work from home space. There's a second, detached garage with power and light and driveway parking for a number of cars.
