To the rear, the house opens into a beautifully connected kitchen/dining/family space that forms the true heart of the home. This is a space made for hosting, for everyday bustle, for celebrations that spill out onto the terrace on warm summer evenings.

Upstairs, the main house offers three generous bedrooms and a stylish family bathroom, each room thoughtfully proportioned to accommodate the needs of a growing household and there is direct access to annex side of the home which provides two further bedrooms and a second bathroom.

The split level Annex offers Independence, flexibility and possibility and is where this home truly stands apart. With its own entrance, fitted kitchen, lounge/dining area and direct access to the garden, it offers complete independence while remaining connected to the main house.

For those working from home, it provides the perfect professional environment, equally suited to childminders, therapists, hairdressers or anyone seeking a dedicated workspace separate from the main household.

Upstairs, the annex offers two versatile rooms and a family bathroom to create a self-contained living space ideal for grandparents, older children, visiting family or an au pair.

This is multi generational living at its best: privacy without distance, independence without separation.

For keen gardeners, it is a blank canvas ready to be shaped into something special. A large terrace provides the perfect setting for outdoor dining, weekend barbecues and long summer afternoons. Side access leads directly to the annex, adding convenience and privacy.
