Accommodation

The main entrance door opens into a welcoming entrance hall featuring an elegant, tiled floor, attractive panelled walls and a useful storage cupboard. From here, stairs rise to the first floor and there is a door to the ground floor cloakroom/w.c. along with a versatile study/bedroom and double doors to both the principal reception room and the impressive open-plan kitchen, dining and family area.

The living room is a comfortable and inviting space, ideal for relaxation and entertaining. It is enhanced by a bay window to the front, fitted with shutters, and a striking feature fireplace with alcoves to either side.

The heart of the home is undoubtedly the triple-aspect, open-plan kitchen, dining and family room. Thoughtfully designed, this space combines modern finishes with a warm and welcoming ambience. Features include tiled flooring and shuttered windows.

The kitchen is fitted with an extensive range of high-quality cabinetry, complemented by a substantial central island with breakfast bar seating, and enjoys high ceilings that further enhance the sense of space and light. A door gives access to the rear courtyard garden.

The separate utility room offers practical convenience and is fitted with matching units and work surfaces, a sink with mixer tap and provisions for both a washing machine and dishwasher, keeping everyday essentials neatly organised.

The study offers excellent flexibility and could readily serve as an additional bedroom if required. It benefits from shuttered windows to the side along with fitted double wardrobes and further storage.

To the first floor, a spacious landing with attractive panelled walls gives access to three well-proportioned double bedrooms and the family bathroom.

The principal bedroom is a generously-sized retreat, featuring a bay window with shutters, a walk-in wardrobe with sliding doors and an additional range of fitted sliding wardrobes. A door leads to the en suite bathroom, appointed with a deep bath, separate step-in shower cubicle, low-level w.c, hand wash basin, heated towel rail, Velux window and part-tiled walls.

Situated at the opposite end of the landing, the guest bedroom has shuttered windows, twin double wardrobes, a central vanity or display area and access to its own en suite shower room, fitted with a step-in shower cubicle, low-level w.c, hand wash basin and part-tiled walls.

The family bathroom is beautifully finished with full tiling and offers a luxurious feel, complete with twin pedestal basins, a large bath with shower over and a skylight window that allows natural light to flood the space.

A third double bedroom is positioned to the front of the property and benefits from twin shuttered windows.

Externally

The property is approached via a substantial electric gated driveway, providing off-street parking for two vehicles. To the front, a thoughtfully designed sunken garden offers private seating areas, mature planting and enclosed walls with steps leading down to the main entrance.

To the rear, an arched and gated passageway leads to a charming courtyard garden, creating a secluded outdoor seating area with raised beds and ambient lighting.

The location of Dinsdale House and its surrounding countryside is a gift to walkers and dog owners with a huge range of local walks straight from your door.
