This 3-bed terraced house presents an excellent opportunity for families and professionals alike. The property boasts three well-proportioned bedrooms, providing ample space for relaxation and rest. The inviting reception room serves as a perfect gathering space, and additional room serves as dining area with storage. The house features a conveniently located bathroom, as well as a separate toilet. The kitchen comes equipped with essential white goods, including fridge freezer, washing machine and washer dryer.

One of the standout features of this property is the lovely back garden, offering a private outdoor space for gardening, play, or simply relaxing in the fresh air. There is an option of street parking.
