Fairlie Park, RINGWOOD, BH24 1TU

A delightful, 45’ private landscaped rear garden, enjoying a southerly aspect, allocated parking and a popular location, being so close to local schools, travel links and shops, are just a few features of this beautifully presented, stylish family home that has been extensively improved by the current owners.

Built in 2007/2008, this impeccably presented home was carefully designed and constructed, offering well-planned accommodation in a very sought-after and convenient spot.

The first floor lies host to two generous bedrooms (the master with air conditioning) serviced by a recently remodelled, contemporary style bath/shower room.

The ground floor living/dining space occupies the full width and opens directly out onto a paved terrace and garden beyond.

The kitchen has been completely re-designed to maximise the available space, being fitted in a range of shaker style, shelved wall and floor mounted units with contrasting worktops and metro tiled splashbacks, in addition to a built-in oven, hob and dishwasher.

Outside the property enjoys a wonderful sunny garden with large area of lawn enclosed by hedging and fencing as well as a patio area. The property also has the benefit or parking with a brick built storage shed ideal for bikes and garden machinery.
