A well-presented ground-floor studio apartment offering bright, contemporary accommodation, together with the added benefits of a private courtyard garden and residents' parking available on a first come, first served basis.

Location

Camden Court is conveniently situated on Camden Road, close to Tunbridge Wells town centre and its excellent range of shops, cafés, restaurants and amenities. Tunbridge Wells mainline station, Royal Victoria Place and the historic Pantiles are all within easy reach, along with nearby green spaces including Calverley Grounds and Grosvenor & Hilbert Park.

Description

The property opens into a useful entrance hallway with a good size storage cupboard and wood flooring, leading through to the main living and bedroom area. This is a surprisingly generous and versatile space, providing ample room for both sleeping and living furniture. French doors allow plenty of natural light into the room and open directly onto the paved patio area, creating a pleasant extension to the living space.

The separate modern kitchen is fitted with a range of contemporary grey gloss units, complemented by wooden work surfaces and attractive tiled splashbacks. The kitchen provides a good range of storage and workspace, together with integrated and freestanding appliances.

The accommodation is completed by a contemporary bathroom finished with light blue tiling and comprising a bath with shower over and glass screen, WC, wash basin with vanity storage and heated towel rail.

Externally, the property offers off street parking on a first come first served basis with usually plenty of parking available. The patio area off the living space is communal but positioned where it is used mainly for the flat resident.

This apartment has been thoughtfully arranged to maximise the available space and would make an ideal first-time purchase, investment or convenient town-centre home.
