#### BROADBAND SPEEDS

According to Ofcom the following broadband speeds are available. We would recommend contacting a supplier to get the most accurate and up to date data.

Broadband (estimated speeds)

Standard	16 mbps
Super-fast	96 mbps
Ultra-fast	1800 mbps

#### MOBILE PHONE COVERAGE

According to Ofcom based on customers' experience in the DH9 area, below shows the chance of being able to stream video, make a video call, or quickly download a web-page with images to your phone when you have coverage. It's the likelihood of you being able to get this performance within the postal district depending on the network you are using. Performance scores should be considered as a guide since there can be local variations. This shows the percentage of measurements across your postal district over the last 12 months that can successfully stream video or make a video call if they have coverage.

O2 (77%), Vodafone (74%), Three (72%), EE (63%)

#### VIEWINGS

We have created a walk-through virtual tour which can be viewed on our YouTube channel, our website, property portals and our social media accounts such as Facebook, X and Instagram. There is also a 360 degree tour available on our

website. To arrange a viewing please contact the office.

#### MAKING AN OFFER

Please note that all offers will require financial verification including mortgage agreement in principle, proof of deposit funds, proof of available cash and full chain details including selling agents and solicitors down the chain. Under New Money Laundering Regulations we require proof of identification from all buyers before acceptance letters are sent and solicitors can be instructed.
