Location

Hellidon is a peaceful and attractive village set in the rolling Northamptonshire countryside, just 6 miles from Daventry. Known for its traditional stone properties and scenic surroundings, the village offers a quiet rural lifestyle with a strong sense of community. The village features a well-regarded pub (The Red Lion), an active village hall, and a historic church, all contributing to a welcoming community atmosphere. The nearby Hellidon Lakes Golf & Spa Hotel offers leisure and dining facilities, and the surrounding countryside provides excellent walking and cycling routes.

Despite its rural feel, Hellidon is well connected. Daventry, Banbury, and Rugby are all within easy reach, offering a range of shops, services, and rail links to London and Birmingham. The M1, M40, and A5 are also nearby for commuters. A desirable location for families and professionals alike, Hellidon combines village charm with convenience and access to good local schools.

Ground Floor

The property is entered via a half-glazed entrance door with matching side panels into a welcoming hallway with a built-in double storage cupboard, radiator and staircase rising to the first floor sitting room.

The kitchen/breakfast room is beautifully appointed with an extensive range of wall, base and drawer units topped with granite work surfaces. Integrated appliances include a double oven, induction hob with extractor canopy, dishwasher and fridge, complemented by twin stainless steel sinks, recessed spotlights, tiled flooring and a space for a family breakfast table.

Leading from the kitchen is a bright conservatory with windows to three sides and French doors opening onto the paved terrace, creating a wonderful space to enjoy the surrounding gardens. Patio doors connect the conservatory to the dining room, which is also accessed directly from the hallway through elegant glazed French doors, making it ideal for both family life and entertaining.

Also accessed directly from the ground floor hallway, bedroom two is an impressive guest suite, enjoying a triple aspect with views over the surrounding gardens. Filled with natural light, the room is complemented by a contemporary en-suite shower room comprising a wash hand basin, low-level WC, double shower enclosure and chrome heated towel rail.

Lower Ground Floor

The lower ground floor offers exceptional flexibility. The former garage has been converted into a spacious home gym with bi-fold doors opening directly onto the garden, dual-aspect windows, heating and an adjoining fully tiled wet room. This versatile space could equally serve as a home office, studio, games room or annexe accommodation if required. The original electric roller garage doors remain in place should a purchaser wish to reinstate garage use. A separate utility room provides additional storage, sink unit and space for laundry appliances.

First Floor

A split-level staircase leads to the first-floor sitting room, a superb reception room centred around an attractive open fireplace set within a stone surround. Decorative radiator covers and elevated views over the gardens create a warm and inviting atmosphere, making this an ideal space for relaxing. The triple-aspect sitting room enjoys natural light and attractive views across the front, side and rear gardens.

Five further steps lead to the main landing, which is currently utilised as a study area and provides loft access together with an airing cupboard housing the pressurised hot water system.

The principal bedroom enjoys dual-aspect windows, fitted wardrobes, two radiators and a modern en-suite shower room with vanity unit, WC, double shower enclosure and heated towel rail.

Bedrooms three and four are both well-proportioned doubles overlooking the rear garden and are served by a contemporary family bathroom fitted with a white suite including a P-shaped bath with shower over, vanity unit, WC and heated towel rail.

Outside

Outside, the beautifully maintained gardens wrap around the property and are predominantly laid to lawn, complemented by an array of mature shrubs, trees and colourful wildflower planting. Multiple seating areas provide ideal spaces for outdoor entertaining, and an attractive low-level stone wall further enhance the setting.

To the front, a five-bar timber gate opens onto a generous tarmac driveway providing off-road parking for several vehicles, with further lawned gardens extending around to the rear.
