

A realistically priced four bedroom, three storey mid terraced house which overlooks an attractive block paved area. Harold Hornsey Square is located on the modern Headway development which was built by Taylor Wimpey Homes and was built to their 'Halyard' design. It should be economical to manage having gas fired central heating, uPVC double glazing and was insulated to modern standards at the time of construction. As the property is spread over three floors it provides extremely spacious living accommodation which makes an ideal family home. The floor plan briefly comprises: long entrance hall, cloakroom/WC which is fitted with a white suite, spacious lounge located to the rear of the property with uPVC double glazed French doors and an impressive kitchen/breakfast room which is fitted with modern white 'gloss' style units and includes a built-in oven, hob and extractor. Located to the first floor are bedrooms two and four, plus a superb family bathroom/WC which is fitted with a white suite. To the second floor is a large master bedroom and an outstanding en-suite shower room/WC which has a double shower cubicle, plus bedroom three which has French doors overlooking the Square. Externally are easily maintained gardens to front and rear, the latter being mainly laid to lawn. A shared private driveway to the side of the property gives access to a driveway and single garage located to the rear of the property. Fitted carpets and a burglar alarm system are included in the asking price.

Internal viewing is a must to fully appreciate this modern home.
