****QUALITY NEW BUILD**** Three bedroom semi detached house. Located within walking distance to Caerphilly town centre. Good road links to Cardiff and the A470. Three phase electric supply to house for fast economical car charging. Ground floor shower room, shower en suite to master bedroom, family bathroom with shower cubicle and bath. Tiled floors in all bathroom/utility room and shower rooms. Patio and turfed garden. Loft ladder and light to main loft. chrome light fittings and sockets. Exceptional Energy Efficiency – EPC Rating A This A-rated, energy-efficient home offers significantly lower running costs, enhanced comfort, and reduced environmental impact. The property benefits from solar panels and a high-efficiency heat pump, providing sustainable energy and hot water while minimising bills. For electric vehicle owners, the property has a three-phase supply, allowing for super-fast charging, and there is the potential for an EV charging point to be installed by the new owner. Combining modern renewable technologies with future-ready infrastructure, this home is ideal for buyers seeking sustainable, low-cost, and tech-forward living. ****EARLY BIRD ENQUIRIES WELCOMED.**
