About The Property

Looking for a detached three-bedroom bungalow with sea and countryside views, good living space and manageable gardens? Crud-Yr-Awel offers single-storey living with a generous kitchen/diner, attached garage, off-road parking and open countryside immediately behind, all within easy reach of Cardigan and the Cardigan Bay coast. The property is also conveniently positioned on the T5 bus route, providing public transport connections between Haverfordwest, Cardigan and Aberystwyth.

Crud-Yr-Awel is a detached three-bedroom bungalow situated in Tanygroes, a well-positioned village in West Wales. Offering all of its main accommodation on one level, the property has a practical layout with good-sized living accommodation, an attached garage, driveway parking and gardens to both the front and rear.

The bungalow offers comfortable accommodation as it stands, while some areas would benefit from some updating and redecoration, giving the next owners the opportunity to make their own mark over time. Solar PV panels and air source heat pump heating are already in place, while the position of the property provides a pleasing balance between being part of an established residential area and having open countryside immediately behind the rear garden.

Approached from the front, the bungalow sits behind a lawned garden bordered by mature hedging and planting. A driveway provides comfortable off-road parking for approximately two cars and leads to the attached garage.

The front door opens into a hallway which connects the bedrooms and main living areas. The lounge is a good-sized room with broad windows bringing in plenty of natural light and making the most of the far-reaching outlook towards the sea and surrounding countryside. A stone-faced fireplace provides a focal point, while there is ample room for a range of seating and furniture.

Details Continued:

The kitchen/diner is another generously proportioned space and works well as the everyday hub of the home. There is a range of fitted wall and base units with work surfaces, a sink positioned beneath the window, a freestanding cooker and space for a dishwasher. The dining area has room for a table and chairs, making this a practical space for everyday meals as well as having family or friends around.

Leading from the kitchen/diner is a secondary hallway with access to a separate WC and the attached garage. The garage provides useful additional storage and utility space alongside its more traditional use, with laundry appliances and some of the property's heating and energy equipment currently housed here. Internal access between the house and garage is another practical feature, particularly

during the winter months.

There are three bedrooms positioned together on the opposite side of the bungalow. Bedrooms one and two are both comfortable double rooms, while the third is a smaller bedroom which could also suit use as a home office, hobby room or occasional guest room if preferred.

Serving the bedrooms is a shower room fitted with a shower enclosure, wash hand basin and WC. The additional separate WC close to the kitchen is a useful extra, particularly when there are visitors.

Externally: Outside, the property has gardens to both the front and rear. To the front, the elevated outlook takes in the surrounding countryside and extends towards the sea in the distance, adding another dimension to the

setting. To the rear, open agricultural land immediately beyond the garden boundary gives this side of the property a distinctly rural feel.

Beyond this, the garden has been arranged with gravelled areas and raised planting beds, creating an outside space that is relatively straightforward to maintain. There is scope to add further planting or landscaping over time for anyone keen to put their own stamp on the garden.

One of the particularly appealing aspects of the rear garden is the open agricultural land immediately beyond the boundary, giving this side of the property a more rural outlook.

A detached timber garden shed provides useful storage for gardening equipment, tools and outdoor furniture.

Solar PV panels are fitted to the bungalow and heating is provided by an air source heat pump. The property has mains water, electricity and private septic tank drainage.

INFORMATION ABOUT THE AREA:

Tanygroes is conveniently positioned for both the countryside and coastline of West Wales. Cardigan is within easy driving distance and provides a broad range of everyday facilities, including supermarkets, independent shops, schools, cafés, restaurants and leisure facilities, while Newcastle Emlyn is also accessible for further amenities.

The location is particularly handy for exploring the Cardigan Bay coastline, with Aberporth, Tresaith, Penbryn and Llangrannog among the coastal villages and beaches within the wider area. The Ceredigion Coast Path also provides miles of walking along this attractive stretch of the West Wales coast.

For those wanting to be outside the busier town centre while retaining straightforward access to Cardigan, the coast and surrounding countryside,

Tanygroes makes a practical base. Crud-Yr-Awel adds the advantages of single-storey accommodation, its own driveway and garage, manageable gardens and open countryside directly behind the property.
