SITUATION

Shepherds Farm sits behind secure electric gates, set back from Lynn Lane, giving privacy and peace of mind while remaining well connected. The homes enjoy an elevated position with countryside views to the rear, offering a sense of space and outlook rarely found so close to the city.

Just a short drive away is Shenstone, one of Staffordshire's most desirable villages. At its heart is a thriving community with a choice of independent shops, cafés, traditional pubs and well-regarded restaurants. The village also benefits from a mainline railway station with fast links to Birmingham and London, making it particularly popular with commuters and families alike.

Nearby Lichfield adds further appeal with its historic cathedral, bustling markets and excellent schools. Road connections are equally strong, with the A38 and M6 Toll providing straightforward access across the Midlands.

Shepherds Farm offers the perfect balance: secure, modern living with open views on the doorstep, excellent amenities close at hand, and quick connections to city and village life.

DESCRIPTION

Shepherds Farm is an exceptional contemporary barn conversion offering over 3,000 sq ft of beautifully designed accommodation, set behind secure electric gates with countryside views and outstanding transport links close by.

A striking double-height entrance hall with floor-to-ceiling glazing sets the tone for the home, with an oak staircase rising to a gallery landing. The heart of the ground floor is the open-plan kitchen, dining and living area, designed for both everyday family life and entertaining. The bespoke Burbidge in-frame kitchen is fitted with quartz work surfaces, a hidden pantry, extensive cabinetry and a full suite of Neff appliances, alongside a wine cooler and Quooker tap. Two sets of bifold doors connect this space seamlessly to the landscaped garden.

The ground floor also features a more intimate drawing room, a dedicated study with independent access, a utility room, cloakroom, and a plant room housing the home's efficient air source heat pump and ventilation system.

Upstairs, the gallery landing leads to four spacious double bedrooms, each with its own en suite. The principal suite enjoys far-reaching views, a generous dressing room and a spa-like bathroom with twin sinks, freestanding bath and walk-in shower. Outside, landscaped gardens and open views create a stunning

backdrop, with a timber-clad double car port including bike and bin storage, and EV charging provision.

Located just minutes from Shenstone village with its range of shops, pubs, restaurants and mainline station, and a short drive to Lichfield city centre, Shepherds Farm combines modern rural living with outstanding convenience.

GROUND AND GARDENS

The outdoor space complements the home's contemporary design with practicality and style. A timber-clad double car port provides covered parking alongside bespoke bike and bin stores, keeping the setting both functional and uncluttered. The landscaped garden and paved terrace create an ideal spot for entertaining or quiet relaxation, while beyond the boundary uninterrupted views extend across open fields, reinforcing the property's connection to its rural surroundings.

BUYER VERIFICATION FEE

In line with the Money Laundering Regulations 2007, all estate agents are legally required to carry out identity checks on buyers as part of their due diligence. As agents acting on behalf of the seller, we are required to verify the identity of all purchasers once an offer has been accepted, subject to contract. We carry out this check using a secure electronic verification system, which is not a credit check and will not affect your credit rating. A non-refundable administration fee of £25 + VAT (£30 including VAT) per buyer applies for this service. By proceeding with your offer, you agree to this identity verification being undertaken. A record of the search will be securely retained within the electronic property file.
