The lounge sits at the front of the home and feels calm and inviting thanks to its fresh neutral decor. Head through to the kitchen diner and you will find a fantastic space for everyday living with generous worktops, sleek white gloss cabinetry, a kitchen island that doubles as a breakfast bar, and double doors that open straight out to the rear garden.

Upstairs you will find a comfortable master bedroom with fitted wardrobes and its own ensuite shower room, a second double bedroom, plus a third bedroom that works beautifully as a nursery or home office. The family bathroom is finished with a clean and modern three piece suite.

The rear garden has been thoughtfully landscaped to create a low maintenance space you can enjoy all year round. Porcelain patio areas, an artificial lawn, and even an outdoor bar make this a brilliant spot for summer BBQs and relaxed evenings with friends.
