Step Inside

Tucked away within a small and exclusive development, this beautifully presented detached home offers generous, well-balanced accommodation and an immediate sense of space and comfort. Built approximately twenty years ago, the property has been thoughtfully maintained and enhanced, creating a home that is truly *ready to move into*.

The first impression is set by the deceptively spacious and welcoming entrance hall, from which the sense of proportion continues throughout. The elegant L-shaped sitting and dining room provides an ideal space for both everyday living and entertaining, featuring a charming fireplace with wood-burning stove and French doors that open directly onto the garden, allowing natural light to flood the room.

A separate snug or study offers flexibility for home working, quiet relaxation or a playroom, while the heart of the home lies within the recently extended and beautifully appointed kitchen and breakfast room. Fitted with high-quality shaker-style units, quartz work surfaces and a Rangemaster cooker, this space seamlessly blends practicality with style. The adjoining breakfast area, with its vaulted ceiling and Velux windows, creates a bright and airy space perfect for informal dining, overlooking the garden beyond. A useful utility room and ground floor cloakroom complete the ground floor accommodation.

Upstairs, the galleried landing leads to four well-proportioned bedrooms. The principal bedroom enjoys a triple aspect, fitted wardrobes and a stylish en suite shower room. A second bedroom also benefits from its own en suite facilities, making it ideal for guests or family members, while the remaining bedrooms are served by a well-appointed family bathroom.

Throughout the house, the accommodation is light, comfortable and thoughtfully laid out, offering a wonderful balance of space, functionality and warmth.

Step Outside

Approached via a shared private shingled driveway, the property enjoys a discreet and peaceful setting. A detached double garage provides excellent parking and storage, complemented by a generous driveway.

The front garden is attractively arranged with lawn, established hedging and a variety of mature shrubs and trees, offering both privacy and kerb appeal. To the rear, the delightful enclosed garden enjoys a sunny aspect and is predominantly laid to lawn with well-stocked beds and borders. Paved seating areas provide perfect spots for outdoor dining or quiet relaxation.

A particularly special feature is the garden's direct adjacency to a lovely wooded area, offering attractive views and a strong connection to the surrounding countryside, with access directly from the garden itself.

Location
