We are delighted to bring to the market this tastefully modernised and extended 2-bedroom Victorian period cottage within the heart of Corsham, being only a 5-minute level walk from The High Street. Retaining loads of character and charm, the property has undergone extensive updating throughout recent years, now boasting modern fittings and a crisp, fresh feel. As you enter the front door, you lead into a cosy sitting room with a feature stone fireplace. From here, the next door leads into a beautiful kitchen/breakfast room in front of you. The size is a real surprise, and the modern units are carefully planned with space for a small sofa/chair or table as well. The cabinets are a modern shaker style, with colour-coordinated worktops above, and some integrated appliances included. There is a lantern roof light that floods the room with light during the day, and recessed spotlights are set into the ceiling. French doors open up onto the garden, allowing an easy way to entertain friends and family *Al Fresco*. The useful, modern downstairs WC is a real practical bonus for a period home, along with electric underfloor heating in the kitchen and cloakroom for added comfort. Upstairs, the landing gives access to 2 double bedrooms. The first, set at the front, has a lovely feature fireplace, and the 2nd, towards the rear, also has an original cast iron fireplace to add that character. The main bathroom is located off this bedroom and acts as a superb en suite, with a bath and a shower over and modern fittings throughout. Outside, the generous garden follows a similar, beautifully presented theme, with a large paved patio area for seating and eating and a side gate back to the front. The remainder is landscaped with practical raised borders, which are stocked with a wide variety of plants, leading to the rear of the garden with a timber shed handy for all your gardening tools, tables and chairs. The property is brought to the market with No Onward Chain
