

Inside The Home

The welcoming entrance hallway provides access to two useful storage cupboards, with the larger cupboard housing the Baxi central heating boiler which was installed in 2020 and has been serviced annually. The accommodation flows seamlessly through to the principal living spaces, which have been exceptionally well maintained and presented with care. The bright and inviting living room features an attractive fireplace with an electric flame-effect fire, creating a charming focal point, together with a double-glazed window overlooking the front aspect. The generous double bedroom is beautifully presented and benefits from a comprehensive range of fitted wardrobes and matching bedroom furniture, providing excellent storage and a cohesive finish. A double-glazed window overlooks the rear aspect. The contemporary shower room has been finished to an excellent standard and comprises a corner shower cubicle, low-flush WC and stylish vanity unit with wash hand basin. Tiled walls and flooring provide a clean, modern finish, complemented by a heated towel rail and rear-facing double-glazed window. The modern fitted kitchen is particularly well appointed, featuring a range of attractive wall and base-mounted units with integrated appliances including a four-ring ceramic hob, fan oven, microwave, fridge freezer and dishwasher. There is also plumbing for a washing machine, together with a sink and drainer unit. A uPVC door provides convenient direct access to the rear gardens and drying area, with a rear-facing double-glazed window providing additional natural light.
