Moorlands is one of those homes that immediately feels different. Individually architect designed and built as a one-off family home, it occupies a wonderful position on the edge of the popular village of Yeoford, enjoying a leafy outlook whilst remaining firmly part of village life. It's a setting that offers the best of both worlds, peaceful and green, yet with neighbours, community and everyday convenience all close by.

Yeoford continues to be one of Mid Devon's most popular villages. Home to a popular primary school, village pub and restaurant, regular railway services to both Crediton and Exeter and surrounded by beautiful countryside, it's a fantastic place to raise a family. The A30 is also easily accessible, making commuting across Devon straightforward.

The current owners have thoughtfully updated the property throughout, creating a stylish and welcoming family home with generous room sizes and a layout that works exceptionally well for modern living.

A spacious entrance hall provides a warm welcome before leading into the bright living room, where large picture windows frame the attractive outlook across the front garden and flood the room with natural light. The living room flows naturally into the impressive open-plan kitchen and dining area, creating the social heart of the home. Fitted with quality cabinetry, solid worktops, dual ovens and a central island, the kitchen offers excellent storage, generous preparation space and plenty of room for family life or entertaining. The open-plan arrangement ensures everyone remains connected, whether preparing meals, helping with homework or hosting friends.

A separate study provides a dedicated work-from-home space without sacrificing one of the bedrooms, whilst the conservatory extends the living accommodation further, overlooking the rear garden and offering an ideal place to relax throughout the seasons.

Upstairs, all four bedrooms are comfortable doubles. The principal bedroom benefits from a beautifully appointed en-suite shower room, whilst the remaining bedrooms are served by a stylish family bathroom, both having been upgraded as part of the owners' improvements.

Outside, the generous plot complements the house perfectly. To the front, level lawns provide excellent space for children to play, family gatherings or simply enjoying the sunny aspect. Mature hedging and gated boundaries create a surprising degree of privacy, making the garden feel peaceful and enclosed despite its central village position.

To the rear, the gardens continue with further level lawns, attractive planting and a paved terrace that's perfectly positioned for summer barbecues and alfresco dining. The gardens are easy to enjoy without being high maintenance and provide a wonderful extension to the living accommodation. Practicality has not been forgotten either, with ample off-road parking leading to the attached garage, ensuring plenty of space for family vehicles and storage.

Architect-designed homes in villages such as Yeoford rarely become available, particularly those that have been so thoughtfully updated. Combining individual design, generous family accommodation and a superb village location, Moorlands offers an exceptional opportunity for buyers seeking something a little different.
