1 Bryn Teg Terrace is a large and modern seven-bedroom property, which has recently been refurbished throughout. In addition to a high number of bedrooms, each of these rooms enjoys a double bed, contemporary furniture and large windows that let in lots of natural light. You'll also find two bathrooms with showers and modern fittings, as well as a separate WC and laundry facilities.

The house is particularly spacious and as a result also contains two kitchens, as well as a living room, all decorated in a modern style. This means you and your housemates won't be short of places to socialise and relax after a long day.

On street parking is available, though the property's excellent location means you'll have little need to drive. A short walk away from the University, local supermarkets and pubs means 1 Bryn Teg Terrace is a great place to call home.
