A particular feature of this picturesque home is the rear garden with a Pergoda, providing an outdoor setting that might be considered perfect for those looking for al-fresco entertainment late into the evenings. Due to the position of the rear garden, a beautiful setting has been created to ensure the outdoor space is a real feature. The current owners have proudly spent many hours creating an area that both they and family/friends have enjoyed with immense pleasure throughout their ownership living here.

Internally the versatile accommodation offers a range of possibilities, all serving to provide appeal for a wide range of buyers. Set over 3 floors, you will find a kitchen/dining room on the ground floor with a further dining room that could be used as a bedroom. A study or further bedroom is also offered with a ground floor shower room being located off the main hallway.

Another fine feature of this home is a beautiful balcony sitting just off the main sitting room on the first floor. Overlooking Wraysbury River, all year round views embrace the differing seasons on yet another level. For many, the exceptional detail & thoughtful design of the estate will be noted for the original designs of the location in which it sits. A principal bedroom offers a built-in double wardrobe with private ensuite facilities with vistas that many will find hard to beat. The room is spacious, light and for many; 'highly appealing'.

Located on the upper floor, a further bedroom often chosen as an intermediate principal bedroom due to the small room adjacent that might be used as a cot room/(occasional bedroom) due to its size will likely appeal to young families or those thinking of the future. The larger room offers built-in wardrobes, an ensuite and a skylight window that maximises light.
