A CHARMING COTTAGE IN POPULAR VILLAGE LOCATION

A characterful and charming Grade II Listed attached cottage located in ever popular village of Laddingford. As you approach the cottage, you are greeted by a delightful front garden, courtyard and parking, which is beautifully framed by hedging.

This period character property is a typical Kent cottage with its tile-hung and white weather boarding facade. When you enter the property, on your right you will be greeted by a stunning sitting room with inglenook fireplace with a bressumer beam and views over the garden.

The character continues with a good sized dining room and typical country style kitchen by Rencraft, with limestone flooring, granite work surfaces and a large sunken sink. The kitchen overlooks a small courtyard accessed by a stable door.

On the first floor the beamed master bedroom features exposed wooden floorboards and a built in wardrobe. There is an en suite bathroom (freestanding bath and shower) with a striking chequered tiled floor, eaves storage and a Velux window. On the second floor - accessed from the master - is a further bedroom with vaulted ceiling. This benefits from fitted cupboards all along one wall, a built-in wardrobe and exposed wooden floorboards. To the rear of the property is a small courtyard garden with outdoor lighting. There are also two storage sheds at the side providing ample space for garden implements and outside bins.

The property sits in the heart of Laddingford, a quintessential Kentish hop-country village centred around the 15th-century Chequers Inn - a well-loved local with a large garden, real ales and a warm village atmosphere, just a 1 minute walk away. The village is within easy reach of Yalding and Paddock Wood, both offering mainline stations with regular services to London Charing Cross, Cannon Street and London Bridge, while the historic spa town of Royal Tunbridge Wells - with its wider shopping, schooling and dining - is just 15 mins away by car
