Churchill Estates are proud to bring to the market this bright and spacious first floor garden flat, offered chain free and with a 90 year lease whilst being ideally situated in a popular residential area of Wanstead.

The property offers well-proportioned accommodation throughout and would make an excellent first-time purchase, investment opportunity or comfortable home for a couple or professional.

Upon entering through the property's own private front door you are welcomed into a bright and spacious reception room providing an inviting living space with plenty of room for both relaxing and entertaining.

The generous double bedroom offers excellent proportions and ample space for a range of bedroom furniture, while the well appointed kitchen benefits from an extensive range of base and wall mounted units providing plentiful storage and workspace. Completing the main accommodation is a modern fully tiled three-piece bathroom suite finished with a clean and contemporary feel.

A particularly useful feature is the spacious loft room which is currently being utilised as a bedroom and provides an excellent additional area of accommodation. Accessed via a loft ladder the room offers considerable versatility and could equally be used as a home office, study, hobby room, dressing room or additional storage space. While it cannot be marketed as a formal bedroom its current use demonstrates the practical potential this space offers.

Externally the property benefits from the highly desirable and particularly rare advantage of a privately owned rear garden. The garden belongs specifically to this property rather than being communal and is accessed conveniently via the side of the property. Spacious and low maintenance it provides an excellent private outdoor area for entertaining, relaxing or enjoying the warmer months — a feature rarely found with properties of this type in the local area.

The property is ideally positioned for enjoying a combination of excellent transport connections, green open spaces, independent shops, cafes, restaurants and local amenities. Wanstead Park in particular offers attractive open spaces and woodland, while Wanstead Flats provides a vast area of open grassland popular with walkers, runners and sports enthusiasts.

Transport links are a major advantage of this location. Wanstead Underground Station is approximately 0.1 mile away, providing access to the Central line and convenient connections across East London and into Central London.

The property is also well placed for a number of local schools making the location attractive to families with Wanstead High School approximately 0.2 miles away, Wanstead Church School 0.4 miles away and Our Lady of Lourdes School approximately 0.5 miles away.
