Leaving the tired opinions of co living multi room properties behind Spaces present

these amazing rooms to rent in a traditional Victorian house within easy reach of Southend City centre.

The property has been completely refurbished and redeveloped to an extremely high standard and benefits from communal facilities including a very spacious, newly fitted kitchen with integrated appliances plus dining areas & lounge with TV.

Each room has been newly redecorated and carpeted whilst benefitting from newly installed modern furniture including new beds & mattresses. There is also a luxury fitted shower room for each room with modern fittings.

A maintenance team is also available for each property ensuring the communal areas are always clean and the gardens well kept to maintain the levels of luxury Spaces & Scott & Stapleton wish to preserve.

Offered immediately an early internal inspection is strongly advised.
