18 Hutchinson Square, Douglas, IM2 4HS

Offers over £750,000

A wonderfully restored and remodelled Victorian double-fronted townhouse, walkable to central Douglas, Nobles Park and the promenade, and with views over Hutchinson Square. While benefiting from Victorian features such as high ceilings and large rooms, the house has been renovated to a high standard making it a turn-key property; fully insulated on all floors, underfloor heating throughout the lower ground floor, new plumbing and electrics throughout, new bathrooms, a new boiler servicing the bottom three floors and a recently added boiler servicing the top floor, three multi-fuel log burners on the upper ground and top floors, and new floorings throughout. Accessed via external steps to the upper ground floor, the accommodation provides a central hallway featuring Karndean flooring in an attractive herringbone style pattern. To the right is a front-to-back reception room with high ceilings and Karndean flooring benefitting from two multi-fuel log burners. There is a further reception room on the opposing side, again with Karndean flooring, and a boot room to the rear with access to the rear of the property. The lower ground floor level benefits from underfloor heating throughout and provides a fully fitted bespoke kitchen with four ovens, dining area with bay window and door accessing the rear decking area. In addition to this is a further spacious reception room, utility with WC and walk in storage rooms. The sizable under stairs area could be transformed into a work-from-home office area or wine cellar. The first floor provides a large landing, a spacious master bedroom with views over the square, much natural light, high ceilings and en-suite shower room, two further large double bedrooms and family bathroom with separate shower. The second floor provides a large landing, three further large double bedrooms, one benefiting from a multi-fuel log burner, and a shower room. The floor is perfect for a primary suite or teenager floor. To the rear of the property is a decked area for entertainment which has direct access to the lower and upper ground floor levels. Oil fired central heating with gas heating on the upper floor. Viewing highly recommended.
