Frosted window to side, walk-in shower cubicle with mixer tap shower over, low level W/C, wash basin with mixer tap over and vanity storage beneath, with heated towel rail, plinth heater, vinyl flooring, and LED lighting.

Front Garden

The front garden has been fully landscaped with decorative stone, laid over a solid hardcore and grid base to create ample off-road parking. A pathway leads to the front entrance, with access to the rear garden available from both sides of the property. The property also benefits from an electric vehicle charging point and external lighting, providing convenient charging facilities and enhanced security and illumination around the home.

Rear Garden

The fully landscaped rear garden is predominantly laid to lawn and features a large patio area immediately to the rear of the property. The garden is tiered to create two distinct levels, with retaining walls, raised flower beds, and a vegetable garden to the rear. There are also three large sheds, all built to a high specification and benefiting from power and lighting. Access to the front driveway is available from both sides of the property.

Driveway

The property offers a large gravel driveway, providing ample off-road parking for multiple vehicles.
