Get to know the property

Nestled on the charming Derwent Road in Lancaster, this exquisite house offers a perfect blend of modern living and serene surroundings. With five spacious double bedrooms and two well-appointed bathrooms, this property is ideal for families seeking comfort and style.

Renovated throughout, the home boasts a lower ground floor that has been expertly dampproofed and tanked, while additional insulation to the original stone walls and new flooring create a warm, dry and exceptionally comfortable atmosphere, giving the older parts of the house the cosy feel more commonly associated with a modern home. The west-facing aspect provides stunning panoramic views over Lancaster and Morecambe Bay, creating a picturesque backdrop that can be enjoyed from various vantage points within the home.

As you step into the generously sized garden, you will be greeted by a tranquil paradise, perfect for relaxation and outdoor entertaining. The fitted kitchen, which opens seamlessly to the reception room, is designed for both functionality and socialising. A large utility room, complete with a shower room and pantry, adds to the convenience of daily living.

The ground floor also features a study, a fifth bedroom, and a cosy snug, while the main reception room is bathed in natural light thanks to three windows that frame the beautiful views. As evening falls, spectacular sunsets over Morecambe Bay provide an ever-changing backdrop to the room.

Ascending to the upper floor, you will find the original wood flooring that adds character and warmth to the space. The modern four-piece bathroom suite exudes a luxury hotel feel, making it a delightful retreat.

This remarkable property offers an increasingly rare lifestyle: the peace, privacy and greenery of the countryside combined with all the convenience of city living.
