DESCRIPTION

The Seasons is a development of four beautifully designed homes, situated off a private road in the heart of Timperley. With generous living spaces, exceptional build quality, and forward-thinking energy performance, these homes offer a rare opportunity for those seeking both style and substance in a truly desirable location.

Each residence spans three thoughtfully planned floors, with up to five spacious bedrooms, including luxurious en-suites, expansive open-plan kitchen and dining areas, and separate living spaces ideal for family life. Flexible layouts, high ceilings, and carefully positioned roof lights and glazing allow natural light to flow throughout creating homes that feel both welcoming and refined.

With clean-lined architecture, private driveways, landscaped gardens, and a cohesive, high-spec finish. Externally the houses have traditional features, bay windows, brick plinth detailing all of which feature on Victorian homes but built to modern day standards with all eco benefits. The Seasons achieves a timeless yet contemporary look. Inside and out, every detail has been considered to ensure comfort, practicality, and long-lasting quality.

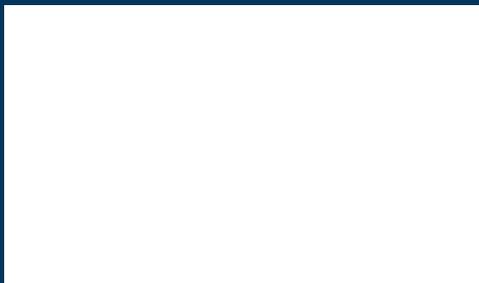

Sustainability is at the heart of the design. Each home is EPC A-rated, featuring air source heat pumps, integrated solar panels, and advanced thermal insulation—delivering exceptional energy efficiency, lower running costs, and future-ready performance.

Ideally located, The Seasons offers peaceful residential living while being just a short walk from Timperley village and its local amenities. Navigation Road Metrolink station is a minutes walk away providing direct, fast connections to Altrincham, Manchester city centre, and beyond making this location perfect for commuters and families alike. These outstanding homes are positioned within the catchment area of outstanding schools, including Altrincham Grammar Schools for boys and girls, and also the sought after Wellington School. Green open spaces, and Altrincham's thriving town centre are all within easy reach.
