Description

This beautifully presented single-storey home offers approximately 1,399 sq. ft. of versatile and well-designed accommodation, perfectly suited to modern family living.

A welcoming lobby leads into an elegant living room, which flows seamlessly into a bright dining area enhanced by a striking ceiling lantern — an ideal space for family meals or entertaining guests. The kitchen, positioned at the heart of the home, is fitted with a range of contemporary eye and base level units, granite worktops, and integrated appliances, combining style with practicality. A comfortable family room adjoins the charming conservatory, a light-filled space offering the perfect setting to relax and enjoy views of the garden.

The property provides two generous double bedrooms and a versatile study/third bedroom. Both double bedrooms feature built-in wardrobes and modern ensuite shower rooms, while the study/third bedroom offers an ideal home office or occasional guest space and includes access to a dressing room. A stylish family bathroom completes the internal accommodation.

Externally, the rear garden offers a beautifully landscaped retreat, thoughtfully designed with two distinct areas. A paved patio extends from the property, leading to a neatly shaped lawn bordered by mature planting. Beyond a low wall and a few steps, the second tier features an additional lawn area and provides access to an outbuilding that currently houses a secondary kitchen — presenting excellent potential for use as a utility space, workshop, or home office. To the front, a block-paved driveway provides convenient off-street parking.
