Location

Pinns Cottage will be found close to the centre of the well regarded village of Yoxford, and set well back from Brook Street (the A12 trunk road). The village has a village store, an assortment of antique shops and galleries, a primary school, two public houses (although one is currently closed) and a café. The village is located adjacent to the A12 trunk road giving it easy access to the north and south of the county, as well as the nearby market town of Saxmundham, just 4½ miles to the south, which provides a good selection of amenities, including Waitrose and Tesco supermarkets, banks, doctors surgery, chemist, ironmongers and dry cleaners. The Heritage Coast is nearby with the popular coastal resorts of Aldeburgh, Dunwich, Southwold and Walberswick, and the pretty villages of Westleton and Snape, the latter being home to Aldeburgh Music. The internationally renowned RSPB Minsmere, with its fantastic coastal nature reserve is only 6 miles to the east. The nearby railway station at Darsham, provides regular services to Ipswich and onto London Liverpool Street Station.

Description

Pinns Cottage comprises a detached, two/three bedroom cottage, that occupies a generous and mature plot in the centre of the well regarded village of Yoxford.

In the 1950s, we understand that Pinns Cottage was extended from, seemingly, a pair of modest semi-detached cottages. The original core of Pinns Cottage is of timber frame construction with rendered elevations under pitched pantile roofs.

The property does now warrant a programme of modernisation and updating, as well as possibly extending and reconfiguring the accommodation internally—subject to the necessary consents.

Pinns Cottage is set well back from the road, and is approached via a shared private driveway. The five bar gate opens onto a generous and mature plot of over a third of an acre, that comprises a large grassed area beside the driveway, that is partly enclosed by a variety of established specimen shrubs and trees. There is also an impressive copper beech tree beside the driveway, to the front of the property, as well as a range of additional outbuildings including a garage, approximately 4.92m x 3m, and a wooden cabin, approximately 4.62m x 2.63m.
