Location

White Cottage is situated in the rural village of Sweffling. The village has a terrific community feel with events taking place at the village hall and also at the award winning pub, The White Horse. Sweffling is situated amidst gently undulating countryside around the upper reaches of the River Alde. The historic market town of Framlingham lies within 5 miles and has excellent schools in both the state and private sectors, as well as good day-to-day shopping facilities. The town is best known for its fine medieval castle. Saxmundham lies about 4 miles to the east. Here there are Waitrose and Tesco supermarkets and a railway station with trains to Ipswich and, in turn, London's Liverpool Street station, which take just over the hour. The Heritage Coast at Aldeburgh lies some 9 miles away, with Dunwich and the Minsmere Bird Reserve being about 12 miles to the east.

Description

White Cottage is of timber-framed and brick construction with rendered and whitewashed elevations under a pitch tiled roof. The property is believed to date from the early 19th Century. White Cottage has undergone a schedule of renovation by the previous owners and makes an ideal holiday home being very much suited as a "lock and leave" with its low maintenance courtyard garden.

The property is approached from the front door into an entrance porch featuring quarry tiled flooring and windows to the side. A glazed panel door from here leads to the sitting/dining room, a triple aspect room with windows to the front, side and rear, French style doors to the garden and tiled flooring. There is a centralised fireplace, which is home to a wood burning stove with tiled and timber surround. The sitting room benefits from a light tunnel. There are stairs that rise to the first floor landing which benefit from a light tunnel. There is a built-in cupboard underneath the stairs. A glazed door leads to the kitchen, a dual aspect room with windows to the front and rear, and fitted with a matching range of wall, base and display units with over counter lighting. There is a single drainer sink unit with mixer tap over and tiled splashbacks to wooden worktop together with a four ring Neff electric hob with Neff oven under and a stainless steel and glass extractor hood over. There is also an integrated fridge/freezer, space for a washing machine and a chrome heated towel radiator.

The stairs rise to the first floor landing where there is a window to the rear, a built-in cupboard with a pre-lagged water cylinder and slatted shelving, a wall mounted radiator and access to the loft hatch. From here a door leads to bedroom one, a dual aspect double room with a dormer window to the rear, exposed floor boards, wall lights and a window to the side. There is a basin with a light over and a cupboard under with ornate tiled splashbacks, a built-in storage cupboard to the side and two wall mounted radiators. There is a further built-in cupboard over the stairs which houses the electric boiler with slatted shelving and hanging rail. Bedroom two is another dual aspect double room with a window to the side and rear overlooking the rear courtyard. This has exposed floor boards, a wall mounted radiator, wall mounted lights and access to the loft. The shower room has a dormer window to the front, a closed coupled WC, wall hung basin, shaver point, spotlighting, built-in shower cubicle with mains fed drencher shower over and hand held attachment all in tiled surround.

Outside

From the highway a pathway leads to the gated entrance of White Cottage where there are raised beds to the front and a path that circumnavigates the property to a courtyard garden. This is enclosed by panel fencing and features a private seating area and raised beds.
