PROPERTY SUMMARY

What we really like about this property is the outlook. The open green space to the front and far-reaching countryside views give the home a lovely sense of privacy and openness, which is something you don't always get with a modern detached house. The accommodation is equally impressive, with four bedrooms, a versatile additional room and plenty of space for family life. It's a home that offers both practicality and a really enjoyable setting.

An exceptional four-bedroom detached family home, built to a high specification and enjoying a superb position overlooking open green space with beautiful countryside views.

Beautifully presented throughout, the property features quality flooring, a stunning contemporary fitted kitchen and a spacious, naturally light layout.

The ground floor offers a welcoming entrance hall with built-in storage, WC and a generous lounge/diner, alongside the stylish kitchen. Upstairs are four well-proportioned bedrooms, including a principal bedroom with en-suite, plus a modern family bathroom. A fifth versatile room provides an ideal home office, nursery or occasional bedroom.

Outside, there is a low-maintenance front garden, driveway with ample parking and an integral garage. The property's position overlooking open space provides a particularly attractive outlook.
