Location: Within the oldest part of Troutbeck Bridge midway between Windermere and Ambleside in a small cluster of cottages dating from the 18th century. A very popular area the hamlet has a well-stocked shop/petrol station and a good pub and is at the foot of the hill leading up to Troutbeck. The cottage is approached by leaving Windermere on the Ambleside Road (A591). The property fronts the Ambleside Road and is the last on the right of a short row of 5 soon after the Sun Inn.

Property Overview: A traditional, well maintained Lakeland stone and slated cottage. As you enter the cottage you are greeted with a dual aspect living room with Lakeland stone fireplace having inset multi fuel stove and slate hearth. Then moving into the kitchen, comprising of fitted base units, gas freestanding cooker with double oven, hob and grill plus steps down to a convenient larder room.

The first floor has 3 good sized bedrooms with bedrooms 1 & 2 including a decorative Victorian fireplace. A separate WC housing the gas fired combination central heating boiler and an additional shower room including, rainfall shower, WC and washbasin with vanity unit.

Outside the property has the benefit of a pretty enclosed rear garden with useful outhouse ideal for storage and having plumbing for washing machine and electric. There is a further terraced garden area and private parking space across the lane to the rear. 3 Calgarth View is a fantastic property which would make an ideal holiday home, investment property or indeed a comfortable home.

Unfortunately, this row of cottages has suffered from flooding in the past and has had water ingress during the last two major storms in 2009 and 2015. Since 2015 the environment agency has spent a lot of time, money and effort culverting the potential storm water which should alleviate any issues in the future. This includes a protective storm wall to the front of the cottages to stop any water splash from the road. To date, the measures taken have been successful since the work has been completed. There has also been front and rear flood doors fitted.

The result is that the buildings insurance for this year is £535.00 including contents with an excess of £500.00.

A thought from the owners... "The cottage has given our family a wonderful base to experience the Lakes. It is bright and cool in the summer whilst being warm and cosy in the winter. We have been able to work and relax here, with the bonus of easy access to our favourite walks"
