For Sale Freehold £610,000

Situated in the sought after area of Ossett is this deceptively spacious three bedroom detached cottage, set well back from the road and offering extensive off road parking, two gardens and a substantial outbuilding with potential for conversion to a self contained annexe or work from home space, subject to the necessary consents.

The accommodation briefly comprises an entrance porch with access to a downstairs WC and a kitchen breakfast room, which in turn leads to the dining room. The dining room provides access to the cellar and a rear hallway with door to the garden, as well as access through to the living room. To the first floor, the landing leads to three bedrooms and the house bathroom. Bedroom one benefits from an en suite shower room and a walk in wardrobe with loft access. Bedroom two also has loft access. Externally, the front of the property features a substantial pebbled driveway providing off road parking for several vehicles, leading to a double garage with electric roller doors, power, lighting and vaulted ceiling, together with an additional storage area. There is also a two storey outbuilding offering significant potential for further development, subject to approval. A paved pathway leads to the entrance door, and to the side there is a garden mainly laid to lawn with pebbled and paved areas, along with a raised decked seating area beneath a timber canopy, ideal for outdoor dining and entertaining. The rear garden is also predominantly lawned and features planted beds, mature trees and shrubs, pebbled sections and stone walling, all enclosed by hedging and fencing.

Ossett is a popular location for a wide range of buyers, particularly growing families, with local shops and schools within walking distance and a broader range of amenities available in Wakefield and Dewsbury town centres. Local bus routes operate nearby, and both Wakefield and Dewsbury offer train stations with links to Leeds, Manchester and London. The M1 and M62 motorway networks are also easily accessible.

This property would make an excellent purchase for those seeking multi generational living or a home with integrated business potential. Only a full internal inspection will reveal the scope and versatility on offer. Early viewing is highly recommended.
